PRESENTATION

Lynn Thomas

Lynn Thomas, PSI Cosmetology Client Service Manager addressed the Board and provided a presentation of upcoming changes to the NIC Cosmetology Theory and Practical exams. The Board discussed concerns regarding estheticians not being trained on information which they will be tested on in the exam. There was discussion about the standard test process, current textbooks, microdermabrasion and the theory portion of the exam. There was also discussion regarding the change in the nails portion of the exam, how it will be administered, and areas which will be tested. There was a question regarding whether blow drying was as part of the hair portion of the exam, and the Board was informed that it is not currently included in the exam.

PSI and NIC will be hosting a school overview meeting on March 9, 2015 at the Sheridan by Gateway in Atlanta. PSI will be sending letters to the school owners and instructors informing them of the meeting.

The exam changes were to go into effect on February 1, 2015 but Lynn Thomas and the Board discussed changing the date, so the schools could be informed and allow them time to prepare their students for the upcoming exam changes.
